ORDER

Syed Mansoor Ali Shah, J.- We have heard the learned Additional Attorney General for Pakistan at some length and have gone through the impugned order and the record of the case. We find that there is no ground made out for the review of the impugned order. This civil review petition is therefore dismissed.

The office has pointed out a typographical error in the above order, as it mentions that a single petition has been dismissed. In fact, all the 16 review petitions were listed and heard on the above date, but due to an inadvertent typo, the last line of the order shows as if single petition has been dismissed. It is clarified that the above order has been passed in all the listed petitions and all of them have been dismissed. Office is directed to inform the parties and issue a necessary corrigendum in this regard to all the concerned who already have obtained copies of this case.
