**ORDER**

**Amin-ud-Din Khan, Senior Judge.**— This Human Rights Case is pending since the year 2018. Learned Additional Advocate General, Khyber Pakhtunkhwa states that a report was submitted in the year 2018 and fresh working has also been done. Further states that he has a meeting with the Chief Minister, Khyber Pakhtunkhwa with regard to the position of the hospitals. Officers, in attendance, inform that at that time at about 1500 government hospitals were working in Khyber Pakhtunkhwa. After the merger of the FATA, now the hospitals are more than 2200 and the Provincial Government is trying hard to provide the best health facilities to the people.

2. In these circumstances, we expect that the concerned department(s), especially the Health Department, will take care of the health facilities and running of the hospitals. No further action in this matter is called for. Disposed of.
