**ORDER**

Learned Advocate General Sindh, has placed on record progress report regarding computerization of revenue record in the Province of Sindh. We have perused its contents and express our displeasure as this exercise is continuing for a period of over 5 years but still not concluded even to the extent of one district, for one reason or the other. Mr. Nazeer M. Laghari, a specially deputed Consultant by this Court, for the purpose of rewriting of record of 870 Dehs, present in Court states that sufficient progress has been made in this direction and hopefully this exercise will be completed within next 3 months. The Chief Secretary, Sindh, has ensured full cooperation from the concerned quarters with Mr. Nazeer M. Laghari so that this exercise is completed in the Province of Sindh at the earliest in the larger interest of public. As regards computerization process, we expect that rapid progress will be made and some positive report will be
