## ORDER

1. Senior Member, Board of Revenue, on instruction from the Consultant Mr. Leghari, states that entire reconstruction of the revenue record of the Province would be completed by three months. The consultant Mr. Leghari states that there are certain problems, which he is facing, but by passage of time issues will be resolved. He undertakes that the entire record will be reconstructed on the basis of micro-filming, which process was undertaken when the record was re-written in 1985 onwards. The issue of *Haq Qabza* or other problems will not be looked into while reconstructing the record. However, it will be open to the government to object to such entries after reconstruction of the revenue record as per the Rules provided in this respect.

2. Mr. Leghari further states that his contract has expired on 09.10.2016 and he is not interested in continuing with the assignment. On our persuasion and with the consent of the Chief Secretary Sindh, he accepts the position of Legal Advisor on Revenue Issues with the remuneration of Rs.3 lacs per month.

3. Adjourned. To come up after three months, when complete report in regard to reconstruction of record and automation/computerization of the record will be submitted by the competent Authority.
