Date of Hearing: 10.3.2016

O R D E R.

The Inspector General of Police, Sindh has submitted a report today

which is placed on record. According to the report, out of total 408 untraced cases,

67 cases have been traced since 2013 whereas 91 cases pertaining to the year prior to 2013. We appreciate the efforts of the Sindh Police and expect that this exercise shall continue.

2. The learned counsel appearing for the Rangers states that they have also moved an application. We may observe that the issues raised in the application require legislative intervention which is beyond the domain of this Court. We, therefore, cannot issue any direction in the matter. However, we expect that the Federal and the Sindh Government shall resolve the issue in the apex Committee. No further orders on this application, made by Rangers, are required. Disposed of.

3. We are not satisfied with the explanation offered by the Director, Parole. It seems to be an abuse of authority by which lifer/convicts are released on parole. A perusal of the history sheet, even otherwise does not justify a convict lifer to be released on parole who is convicted in heinous offence of kidnapping for ransom. We, therefore, direct the then Home Secretary namely, Dr. Niaz Abbasi to appear in person on the next date of hearing and justify his recommendations for release of such convict on parole alongwith original record containing history sheet. The original history sheet should not be handed over to the Director after a convict is released on parole. However, a copy of the same could be kept by the Director for maintaining it.

4. To come up in the next Session.

Karachi, the
10th March, 2016
